

## **Limited Transferability Fiberglass Warranty Form**

Laminated construction of the hull is warranted to the original retail purchaser for as long as the Tigé boat is owned by original retail purchaser (see exclusions on Limited Life Plus Warranty), if the signed Pre-Delivery Inspection / Owner's Registration Form is completed and submitted to the manufacturer at time of delivery. The second owner can purchase the Limited Structural Fiberglass Warranty for a cost of \$350.00 payable to Tigé Boats, Inc. **(This will cover the second owner to have any structural failures proven by Tigé to be repaired at no cost to the documented second owner).** The documented second owner is not eligible for the new Tigé boat, only authorized repairs. This Limited Transferability Warranty is for a period of ten years from date of purchase by the original owner. For example: First owner sells boat after three years ownership, the second owner can purchase the hull warranty for the remaining seven years. This form will be completed and filed within twenty (20) days of title transfer.
